

Solutions for Family Caregivers Expo Saturday Oct 13, 9a-2p in Novi, MI

A Day of Help and Support for Family Caregivers!

On Saturday October 13 at the Suburban Collection Showplace (46100 Grand River Ave, Novi, MI) will be the **2018 Solutions for Family Caregivers Expo**. Parking and admission are free. The hours are 9am - 2pm. It is "for family members and friends caring for an aging or disabled loved one" and is sponsored by the Area Agency on Aging 1B in SE Michigan.

Download the [2018 Solutions for Family Caregivers Expo Flyer](#) for complete details. Pre-registration not required. Registration takes place at door. There will be over 100 senior-focused companies and nonprofit organizations for you to be able to learn more about products and services available to assist caregivers.

While your NCRO is not a sponsor of this and does not endorse any particular service or product at the Expo, we do feel that its purpose and exhibits would be of interest to certain of our members and their family and friends. Because of that, we are sharing this with members of the NCRO in this area and whose emails we have on file. If you live too far away or cannot go on that date, we encourage you to also look into what your local community may offer as a similar information service.

Sincerely, your National Chrysler Retirement Organization and its Insurance Committee
