

**Beginning 12/01/2022, the Healthcare Retirement Account (HRA) and the Retirement Health Care Account (RHCA) Will Only Use Direct Deposit for Reimbursements**

Soon, direct deposit will be required for receiving reimbursement payments. This means you must add a bank account (checking or savings) to your Via Benefits profile.

**Why use direct deposit? It's safe and convenient**

Direct deposit has many benefits, including:

- Reduces the risk of identity theft
- Eliminates the possibility of losing a check or having one stolen
- Direct deposit is faster than waiting for a paper check to arrive in the mail
- Removes the hassle of traveling to your bank to deposit a check

**Sign up now! Go online or use the mobile app**
