

# You're Switching to Via Benefits from HealthEquity on January 1, 2022

Look on the back for more important information!

# Starting January 1, 2022, you'll get reimbursed through Via Benefits.

Via Benefits will help you use the healthcare retirement account(s) you currently manage through HealthEquity.

**Beginning January 1, 2022, you'll manage your account with us.**

More information will arrive in your mailbox in early December. Continue to submit requests to HealthEquity in the meantime.
