About Me:

I was blessed with an incredible mentor who instilled respect and compassion as the foundation for Medicare “sales”. We focused on educating the senior population vs. closing a deal. Providing valuable Medicare facts in a clear and concise manner rather than persuasive selling.

As your personal agent I offer: honesty, integrity, responsiveness, clarity and confidence year after year.

What I have to offer:

- Licensed Life & Health Insurance Agent in every state across the nation
- Clear explanations of options, rights, and benefits
- Medicare Parts A, B, D, C and Medigap policies (Supplements) as well as Simplified and guaranteed issue Whole Life insurance, Final Expense, and Term policies plus Accidental Death, Dismemberment and juvenile coverage
- Your personal Insurance expert. Call, text, or email me with real time issues and get real time answers!

The ABCs of Medicare

Quick review of whats covered under the 4 basic parts of Medicare

PART A 

Hospital Coverage.

Part A covers care you receive while you are an inpatient in a hospital or a skilled nursing facility.

PART B 

Medical Coverage.

Part B covers doctor visits, clinic services and care you receive as an outpatient.

PART C 

Medicare Advantage.

Part C combines Parts A and B into one plan. Many plans include prescription drug coverage as well. Eye care and dental care may also be included.

PART D 

Prescription Drug Coverage.

Part D covers many generic and brand-name prescription medications. Each plan creates a list of the drugs that it
