How is Medicare Structured ?

Medicare

- Part A - Hospital Insurance
 - Part B - Medical Insurance
 - Part C - Medicare Advantage
 - Part D - Prescription Drug Coverage
 - Medigap - Medicare Supplement Insurance
 - **Medicare does not include: dental, vision or hearing coverage.**
- From federal government
- Private companies

Medigap?

Medigap = Medicare Supplement Insurance

- Covers most or all of Part A and Part B co-pays, co-insurance and deductibles.
- There are multiple Medigap plans from various insurance companies.
- Medigap plans are defined by letters (A,B,D,E,G,N etc.)
- All insurance companies must provide the same benefits for a given letter plan.

Part D ?

Part D = Prescription Drug Coverage

- Helps cover cost of prescription drugs.
- Run by Medicare-approved private insurance companies.
- Review every year because drug coverage and your needs often change.
- This will be covered in detail in the next presentation.
- If your income is over \$85,000 single or \$170,000, filing jointly, there will be a surcharge on part D premiums.

Advantage Plans ?

Part C = Medicare Advantage Plan

- Offer health plan options run by Medicare-approved private insurance companies.
- Medicare Advantage Plans are a way to get benefits and services covered under Part A, B, and usually D.
- Some Medicare Advantage Plans include extra benefits for an extra cost.
- If drugs are not included you can get a separate Part D plan.
- The insurance company takes over providing the benefits Medicare provides.

Common Elements

- You must have both Part A and Part B
- Part A is automatic and no cost to you.
- Part B is \$135.50/month for 2019
- If you make more than \$85,000 single or \$170,000/year (joint return) Part B will be more.

Differences

Original

Medicare+Medigap

- Go to any doctor or hospital that accepts Medicare.
- **+Medigap, +Part D**
- Usually no co-pays for hospital or doctor services.
- Monthly premiums are more than Advantage plans.

Medicare Advantage Plan

- Go to provider network doctors and hospitals for full coverage.
- Co-pays for doctor visits
- Almost always lower monthly premium
- Usually includes drug coverage.
- Some extra benefits.

You have two Choices!

Original Medicare

- Part A (Hospital)
- Part B (Doctors)
- Plus a Medigap policy
- Any doctor or hospital that accepts Medicare
- Plus a Part D policy

For this option get a Medigap policy and a part D policy.

Medicare Advantage Plan

- Operated by private insurance companies
- Combined Part A, B & D
- Doctors and hospitals in the network. (PPO or HMO)

If your advantage plan does not include drugs A Part D plan is required.

Medigap Policies

Medigap policies are standardized

Every Medigap policy must follow federal and state laws designed to protect you, and it must be clearly identified as "Medicare Supplement Insurance."

Insurance companies can sell you only a "standardized" policy identified in most states by letters.

All policies offer the **same** benefits for each letter plan (A,B,G,N etc.)

Medicare Gottcha's

- Make sure to sign up at least 2 months before the month you turn 65. This is the government and they need the full 2 months to get you set up.
- Depending on your individual auto policy, if you live in Michigan, your insurance premium may go up when you go on Medicare because your auto policy will become primary coverage for any auto accident related medical expenses.
- Delay in signing up for Parts B, D and/or an Advantage plan with Rx coverage will cause an increase in monthly premiums.
- Monthly premium cost penalties are forever!
- Medicare does not provide any coverage when you are out of the U.S.

Other Medicare Info

- If you sign up for a Medigap or an Advantage plan when you first become eligible the plan must accept you.
- *FCA gives you and your over 65 spouse an HRA (2019: up to \$1975 for you, up to \$1750 for spouse) to help pay for out of pocket medical expenses. (The HRA account is created the month you reach 65 and amount is based on an age/service formula)*
- HRA money carries over to the next year if you don't use it.
- 2019 HRA funds will be able to be used to pay 2018 left over claims. (only for expenses after you retire)
- If your spouse is under 65 they must change to FCA PPO plan, which includes dental, vision and drugs.

Only Time You don't want Medicare Part "B" Is :

1. You or Your spouse have health and drug insurance that covers you when you attain the age of 65.

Must check with their H.R. department to determine if you have "creditable" coverage".

or

2. You are getting VA medical benefits.

or

3. You or your spouse are on Medicaid
