"My agent was Laura C. she was most helpful. She answered every question I had. She was there no matter when I called her. Very knowledgeable, explained everything so I could understand no matter how many times I had to ask. I would recommend her to all my friends and family. I sure hope you give her GREAT CUDOS!!!!!!!!!"

- Susan (Sue) E.

"It was a great experience. Laura Camacho really knows her stuff and was very helpful. She helped save me money AND get better coverage. I especially like the Rate Watch team which checks on rates for all companies to get the best deal for their clients at renewal time. My current broker has nothing like that. I recommend Laura without reservation."

"LAURA CAMACHO! She has been great in helping my sister and I getting our supplement insurance. She is very knowledgeable in her field of work. Laura took the time to explain from what each letter in the plans mean to the 3 most important things that by law must be met through supplement coverage. She did not rush through the process of explaining and gave us confidence to know we could trust her. LAURA is the best and a true champion."

-Janie L.

"My representative Laura Comacho was an encyclopedia of information and guided me through the choices that best fit my retirement budget. I wasn't the easiest client as it took me a while to make a final decision, but she was always patient, helpful and quick to respond. Sorting through Medicare supplement plans can be daunting. I'm glad I let a pro guide me."

- Susan W.

"Thank you Laura for making it so easy to turn 65." -Donna E.

"My agent, Laura Camachco, has saved me alot of money by finding lower priced policies. She spends alot of time with going over my "meds", which is exstensive, so she can match me up to the most compatable companies. She takes alot of time with me and is very patient. All suppliments plans raise their rates periodicaly, but when they do, I know I'll get a call saying lets see what else is out there that's a little cheaper!"
- Audrey P.

"Laura was fantastic."
- Paula & Terry M.

"Laura is one of the most knowledgeable agents we have had the pleasure of working with to apply and receive Mac's Medicare Supplement Policy! She is a very friendly person that make s us feel like she is one of our family members!" - Mac & Linda B.

"Absolutely wonderful!!! Laura Camacho was the best she made sure you understood everything" - Joyce H.

"I was impressed with the detail of information I was provided in trying to make a decision which plan to go with and the amount of time Laura spent with me to help understand the options and plans available that would fit my financial situation. I have recommended Laura to several friends and relatives. Thank you!"
- Nancy E.
